

DOVER SHERBORN BOOSTERS

F O R A L L S P O R T S

Dear Dover Sherborn Community,

2009

High School sports are an extremely important part of our community. They teach valuable life lessons, play an integral role in developing school spirit, provide an important social outlet for participants and spectators, and serve to draw active community support into the school. Today, **a record number**, over 75% of the student population at the Dover Sherborn Regional High School participates in the athletic programs offered.

The Dover-Sherborn Boosters is an advocacy group for our student athletes. We are a group of parents and community members committed to supporting *all athletic programs* at the regional high school. **Currently we are holding our annual membership drive and need the community's support.** Your donation will help support all local athletes, through a variety of programs led by the Boosters.

We are committed to improving all sports facilities and venues. We are proud to have funded or co-funded the following projects:

- 40 acres for New Athletic Fields
- Stadium Lights and Sound System
- Irrigation System
- Indoor and Outdoor Batting Cage
- Portable Scoreboard
- Concussion Management System
- Weight Room Floor and Equipment
- Equipment for New Track
- Motorized Basketball Backboards
- Gymnasium Sound System
- Renovated Press Box
- Sails for the Sailing Team Boats
- Tennis Ball Machine
- Cheerleading Mats

Every year we promote all athletic programs and recognize individual student efforts in a variety of ways:

- Varsity Letters, Awards and Trophies
- League Championship Banners and Plaques
- Athletic Enrichment Programs
- Coach Development Programs
- College Scholarships

We provide all students and community members with social opportunities to create school spirit and their own Dover-Sherborn traditions. Presently we are sponsoring:

- Annual Fall Triathlon
- Annual Thanksgiving Bonfire and Pep Rally as a Home Coming Event
- Fan Appreciation Nights
- Booster Blast
- Field Day

We have started a campaign for additional bleachers in front of the new Press Box and to renovate the track shed. Please help support this project by including an extra donation directed towards the Bleachers and Track Shed Projects.

Join the Boosters today, and together we'll achieve our goals for all Dover-Sherborn students. If you have any questions, please check our Web Site at: dsboosters.com or contact one of our board members:

Co-Presidents: Frank Perlmutter, Jennifer Jordan Secretary: Laura Wood Treasurer: Mark Linehan
